

# JDAI Detention Population Survey Maine (Maine)

To understand the effect of the COVID-19 pandemic on youth detention populations, the Annie E. Casey Foundation surveyed the JDAI network on admissions and release data from April 2020 through June 2021. The Foundation will survey the network monthly to update data about youth detention trends. The data below was collected on or before June 30, 2021 with assistance from Impact Solutions and the Pretrial Justice Institute.
